30	I enjoyed this conference very much and hope to see it return annually and plan on inviting others who may enjoy it as well. I would also like to thank all staff that organized this event and made this possible.	6/6/2019 11:21 AM
31	I liked coming to this	6/6/2019 10:11 AM
32	become independent- live your own good life -raising the heat	6/6/2019 10:10 AM
33	Ollie cantos and Ed O'Malley	6/5/2019 10:28 AM
34	The breakout sessions seemed to be a lot of independent living 101 which was good newbies and younger people. As a long-time self advocate I would like to see more advanced offerings	6/5/2019 10:25 AM
35	I wish I could have made all the sessions but it was a busy few days, with built in breaks	6/5/2019 10:22 AM
36	The implementers needed to step in and provide correct information when the self advocates leaders got off topic and rambled on said things that weren't true. It was very uncomfortable.(Craig Kelsay)	6/5/2019 9:59 AM
37	at breakfast someone should be able to cut fruit or there should be a sharp knife for people to cut for themselves	6/4/2019 1:57 PM

39	Instead of two people with disabilities headlining against one another, one of them should have been the keynote. The keynote presentation would have been a good breakout.	6/4/2019 1:49 PM
